We cannot imagine our world without colours. Nature offers us so many bright colours. Life in black and white cannot be beautiful. The rainbow is one of the best symbols of our colourful world. People define different types of colours. It is important to make nice combinations of colours while choosing clothes or thinking of home design. There are pale colours. They are light and never bright. You can combine them with any other colour. These are black, white, grey and brown. Other colours are added to attract attention.
